The Executive Committee after long consideration are recommending that generally there will be no increases. There will be a reduction in Family Memberships as an incentive to build up our Family memberships and a reduction for our racket juniors to match surrounding village clubs and build up numbers. The amalgamation of many of our memberships on offer is also recommended to make it easier to understand particularly for prospective new members. We have in addition Development Rowing with a 50% reduction, a 50% reduction on rowers who coach, a 50% reduction for Country members who live more than 30 miles radius from the Club and also a 50% reduction to any disabled members. We are happy to discuss tailored memberships specific to your circumstances.
