## What is our ambition?

To grow participation in tennis across all age groups and all abilities within an environment that is friendly and inclusive for all members.

## A bit more about our membership options .....

Our membership options have been designed to satisfy individual requirements at rates that are competitive and affordable to both individuals and families.

If you decide not to take out the all inclusive 'Anytime' membership, you still have options. For example, under a 'Standard' membership you can still play using floodlights at a cost of £2 (per 1.5 hours) . 'Coaching only' members have the option to play at a cost of £5 (per 1.5 hours) during daylight hours and £7 (per 1.5 hours) using floodlights. In each case monies should be paid at the club bar before play.

Please note that 'Coaching only' memberships do not include the cost of coaching sessions. This membership is simply to cover facilities usage. Coaching sessions are provided by, and costs directly payable to, Inspire2coach. For details please visit [www.inspire2coach.co.uk](http://www.inspire2coach.co.uk) or contact our excellent level 4 coach, Andy Crowther.
